MISSION STATEMENT

St. John Paul II School is a caring community that embodies the Gospel of Jesus Christ and teaches the faith and practices of the Catholic Church. An educational ministry of the Diocese of Fall River, the school serves students and families of all faiths across Cape Cod, the Islands, and southeastern Massachusetts who seek distinctive co-educational middle and high school Catholic education. Through strong relationships and worthy example, St. John Paul II School recognizes students' gifts, develops their potential, and inspires their pursuit of truth through faith and reason.

A Message from the President

Dear Friends,

Looking back on “the COVID year,” we now see that the fear and the unknowns did not lessen us, but to the contrary, called forth the true strength of the St. John Paul II School community. Gratefully, the Lord’s hand -- along with the Herculean efforts of staff members, persistence and cooperation of parents and students, and generosity of friends and donors -- saw us through the challenges. I am proud and grateful.

From a financial standpoint, we were blessed with historic support. The Blue & Gold Annual Fund achieved record proceeds, the virtual auction rivaled an in-person event, and the school gained a single-year high of individual donors. Again, you did not let us down.

Beyond simply “surviving” the year, we were able to complete projects important to the school’s position and students’ experience. For example, the school’s renaming and rebranding communicates clearly and powerfully our mission and essential Grades 5-12 unity. Additionally, the re-designed and renovated Fitness Center and Academic Resource Center (featured elsewhere in this Annual Report) enhance students’ academic and athletic experiences and set the stage for additional projects in the future.

Often, crisis lays bare what is truly important. For us, the “crisis” of the COVID-year called forward the importance of our mission, school culture, and in-person relationships. Now back at it in full, 460 students enter St. John Paul II School each day able to become accomplished, well-rounded, faithful, spiritually mature young men and women who know their God and how they fit into the world. This is the formation that we provide, and with your help and God’s grace, we will continue to do so for many years.

Thank you for all you do for St. John Paul II School.

Sincerely yours,

Christopher W. Keavy
President

FAMILY, FRIENDS, STUDENTS, AND STAFF:

"Volunteering to help with the Blue & Gold Days silent auction was a great experience. Events like this are opportunities to show our appreciation to a school that truly cares about its students. I was fortunate to work with a wonderful team, and we were amazed at the high level of excitement and participation from the school community.

Even an online auction can be a home run!"

"We are blessed to have such a focused and thorough response to these unprecedented times. It requires financial resources and we need to act as a community to provide the support, big and small, necessary to maintain the high standards that teach our children to move forward **-no matter what challenges they face."**

OUR TRUE STRENGTH

"This past year, JPII was able to do things that others were not. While many schools were at home learning digitally, we were **together in person full-time** making our favorite events happen again. Sports, drama, clubs, and fun traditions such as spirit week, prom, and field day were all possible thanks to the tremendous hard work and effort of our faculty and staff."

Introducing the Academic Resource Center!

Thanks to the generosity of The Robert F. & Maureen T. O'Keefe Family Foundation and Steve and Carol Hamel, students and staff now enjoy a new, central space dedicated to academic enrichment. The Academic Resource Center features an expanded 5-12 Library collection, academic tutoring, small group stations, and research in a remodeled space with new furniture and charging stations. This exciting improvement -- right in the heart of our High School Division building -- serves students in grades 5-12.

BLUE & GOLD DAYS

SPRING 2021
UN-GALA

The "Blue & Gold Days 2021" was our major fundraiser of the year, and alongside the school's Annual Fund, helps the school maintain high-quality programs, support teachers, and provide financial assistance to deserving families. All proceeds provide essential, unrestricted funds for the overall school program.

FUND-A-NEED DONORS

For years coaches and student-athletes have wished for an improved “weight room.” Now, thanks to your Fund-a-Need generosity and the commitment of the Robert F. and Maureen T. O’Keefe Family Foundation, student-athletes and coaches are “getting to work” in a fully renovated space that they are proud to utilize. The Fitness Center features new weight equipment, free motion trainers, a TRX system, new flooring, new windows, and improved ventilation. This \$50k improvement allows student-athletes in grades 7-12 to become faster and stronger, and physical education classes to teach modern workout techniques. Roar Lions!
