2019-2020 ANNUAL REPORT

## A MESSAGE FROM THE PRESIDENT

Dear Friends,

**2020** has been a powerful, sometimes painful teacher in this season of significant challenges. Especially for this reason, we are blessed to say that 460+ students have returned to campus for the 2020-2021 academic year. You would be proud not only of how students, families, and staff members responded in the outset of the pandemic but also by their commitment to return to school. Catholic schools in general and St. John Paul II High School & St. Francis Xavier Preparatory School, in particular, are setting a high standard of flexibility and determination in the face of this crisis.

We dedicate this installment of *Tidings* to the Class of 2020, whose resiliency and positive spirits showed vividly at our graduation events, featured in this issue of *Tidings*.

One hundred forty-eight Catholic schools closed permanently this past year nationwide, most after COVID-19 hit, including the Cape's own St. Margaret Primary School. Gratefully, JPPII & SFXP enjoys broad community support and a stable financial position. In May, the school launched the Keeping the Faith Fund - a special, limited-term fund - designed to provide emergency assistance to current and accepted students severely affected by COVID-19 economic hardship. The Fund awarded \$249,000 of additional financial aid. This assistance has enabled enrollment to remain remarkably stable; in fact, including transfer-in students, we experienced enrollment increases in Grade 6 through Grade 12.

I am grateful to all of you who contributed to the Keeping the Faith Fund and our entire community for your steadfast and generous support throughout the year. While affected by COVID-19, friends and donors continued their support of the two critical sources of fundraising revenue - the Blue & Gold Annual Fund and School Auction. The online "OddBall 2020 Auction" raised \$65,000, which is short of past years but incredible in light of the circumstances. Along these same lines, giving to the Blue & Gold Annual Fund had slowed but did not stop.

The substantial efforts involved in planning for a full return to school and the extraordinary emergency financial assistance have proven to be a renewal of commitment to our very purpose: Showing young people the fullness of Truth through our Catholic Faith, modeling relationships of respect and compassion, and allowing students to excel in a safe and structured environment. More than ever, we know why we exist and the value our mission holds for young people.

I hope to say in the upcoming months that COVID-19 is in our rearview mirror. But whatever the case, your support of Catholic schools makes a big difference.

Best regards,

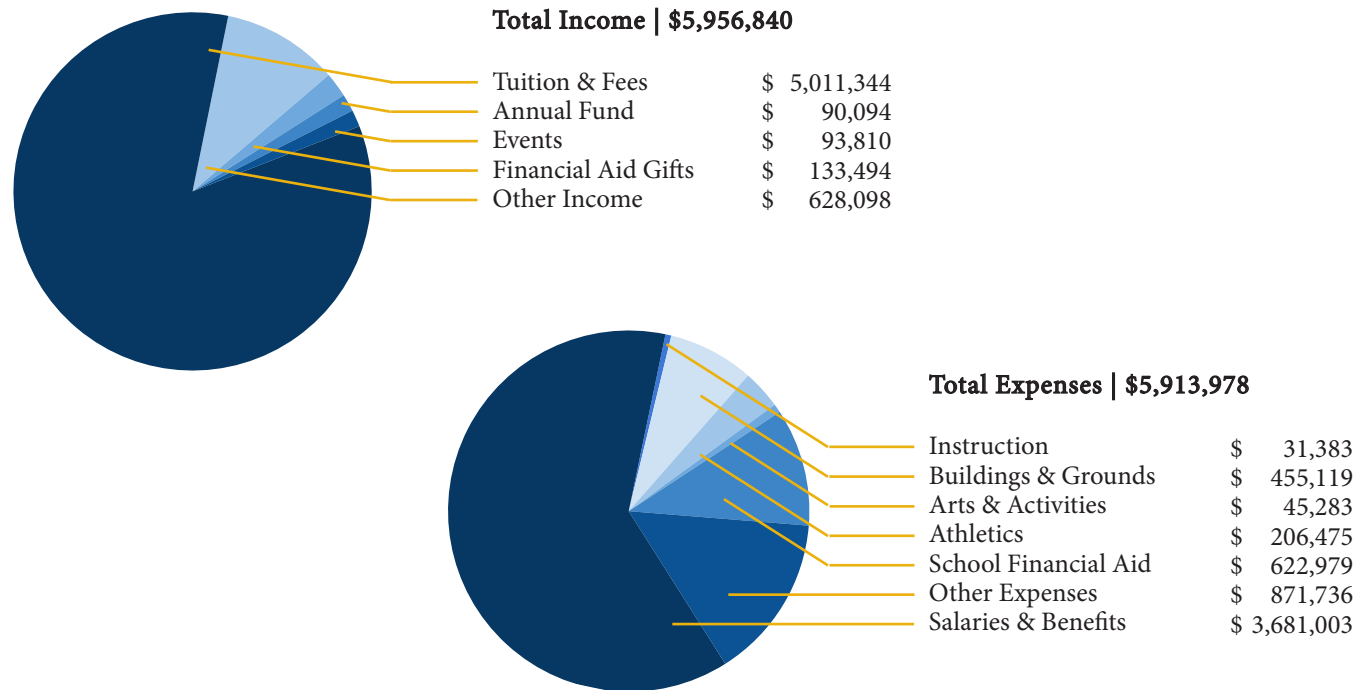

Christopher W. Keavy  
President

# Graduation 2020: *Blessings in Difficult Days*

*“How do you make sense of what was seemingly lost? The Biblical figure Job famously says “The Lord giveth and the Lord taketh away; Blessed be the name of the Lord forever.” When you realize the truth that all is gift and that blessings are just that, then you see that nothing was taken from you other than your expectations.*

*When Fr. Jim Ronan celebrates the JP II Thanksgiving Mass and Ecuador pilgrims send-off, he speaks frequently of the casual way Ecuadorians use the phrase ‘si Dios quiere’ -- if God wishes. His point is that when in Ecuador, pilgrims might learn to trust in God and hold a lighter grip on expectations. So now you commence into uncertainty.*

*Should you go to college full time on campus? Si Dios quiere.*

*Will things get back to normal? Si Dios quiere.*

*Is a gap year worth it? Si Dios quiere.*

*I do not know what you will face and you do not know, either. That’s the truth. But you can know God has a loving plan for you, that you can hold expectations more lightly, you can take the long view, and you can widen your view beyond the present moment.”*

*- Christopher Keavy, President*

## *“BE QUICK.*

*I never ran cross country until I got to JPII. In fact, I never really knew how quick I was. I met Coach Mason and he pushed us.... So be quick – take risks, hold back and pour it on at the end (like I used to do while running) OR don't hold back and give it your all, but whatever you do, run your own race.... and win or lose, succeed or fail, as long as we have tried our best, worked hard, and helped others along the way, that is all that matters.”*

*- Marie Carney, JPII Valedictorian*

*“Our class was able to adapt to every twist and turn God gave us.  
Everything we do is God telling us that our lives are  
a blessing that we cannot take for granted.”*

*- Ella Bartolomei, SFXP Class Secretary*

An aerial photograph of a school field. In the upper portion, a group of students in blue and white uniforms are lined up in several rows. To their right is a large, solid white rectangular area. Below these, a larger group of students in various colored shirts are arranged in many more rows, filling the lower half of the frame. The field is green grass, and the background shows a line of trees and a blue building. Two tall stadium light poles are visible on the left and right sides of the top edge.
