

Treats for Treatments

These boxes will be delivered to any patient battling cancer. We will be accepting items from the following lists.

ideas for gifts inside the boxes (Female):

- hand creams
- soft little neck pillows or eye masks
- scented pillow sack things
- Nail polishes
- Makeup

ideas for gifts inside the boxes (Male):

- Sports related items
- Baseball caps
- Cups

ideas for gifts inside the boxes (Neutral):

- candles (calm scents like lavender)
- slippers
- motivational quote notepads
- fidget toys
- fuzzy socks
- stress balls
- light snacks (nutritional ones)
- gift cards
- lemon and ginger drops for dry mouth and nausea
- Books

Treats for Treatment is an organization that helps encourage patients battling cancer. Sophomores Sean Willis and Michaela Stampfl hope for assistance in packaging the boxes. Each box will consist of items such as hand creams, motivation note pads, gift cards, and more. After raising funds or items to pack the boxes, we will be offering Christian Service opportunities to fill the boxes with the care items. They will then be delivered to the radiation therapy units at Cape Cod Hospital and Falmouth Hospital.
