Our new Middle School Campus Ministry invites you to join us in praying the rosary together as a *school family*. Following prayer, we will celebrate with dessert, fellowship, and some FUN, of course! Please bring a donation for "A Baby Center." Click [here](#) to sign up.

November Prayer Requests

Administrators, faculty, staff, and students at St. John Paul II School invite you to [submit a list](#) of your family members, loved ones, and friends who have gone before us in faith. Our school community will pray for the repose of their souls throughout the month.

Free and Reduced Meal Application

In preparation for the implementation of the lunch program managed by Barnstable School District Food Services, the Department of Elementary and Secondary Education requires our school to distribute the *Federal Free and Reduced Meal Application* to our parents/guardians [linked here](#) on the Barnstable School District Food Services webpage. Although the National School Lunch Program that is being implemented will offer free breakfast and lunch to all of our students, we are required to make the application available to all of our parents/guardians.

All families are encouraged to complete the application. If a family is identified as qualifying, they may be eligible for other federal benefits, including cost reductions for electricity and cable.

Applications are kept in strict confidence.

Food Service Worker (at JPII) Employment Opportunity

The Abbey Group, a school food management company, is looking to hire a

School Food Service Worker for the new lunch program at our school. This could be a great opportunity for a member of our school community! Learn more [here](#).
