Sewer Construction on Main Street, Hyannis

(HYANNIS, MA – February 9, 2024) Starting, Monday, February 12, 2024, the Town of Barnstable’s Contractor, RJV Construction Corporation, will begin in-road sewer construction related to the 725 Main Street Sewer Pump Station Project. During this phase of work, a single-direction detour will be required for westbound traffic on Main Street, Hyannis from Stevens Street to the West End Rotary. South Street will remain open and accessible for eastbound traffic. Work will occur Monday through Friday, from approximately 8:00AM to 5:00PM, weather permitting.

Local resident and emergency access will be maintained, with traffic control onsite to assist motorists. Businesses will remain open and accessible throughout construction.

This work is part of the Town’s Sewer Pump Station Rehabilitation Program. To review project details and supportive presentation materials, please visit: <https://bit.ly/725MainStreetPS>
