- Donations to the Blue & Gold Annual Fund support critical areas, including enhancing academic offerings, faculty professional development, extracurricular activities, and capital improvements.
- Tuition fees do not cover the entire cost of St. John Paul II School education. Gifts to the Blue & Gold Annual Fund bridge the gap between tuition fees and the actual cost of educating a student.
- Your contribution to the Blue & Gold Annual Fund, *no matter the size*, shows our community's dedication to our school's mission. Increased participation increases our eligibility for external resources and grants.
