March Mammal Madness with the Science Department

Since 2013, March Mammal Madness has asked the question, "Who Would Win?" when two animals encounter each other in a simulated habitat of battle. On

Wednesday, March 6, students will spend the morning working together in groups to fill out brackets & decide who they think this year's champion will be. Will it be the porcupine? The Tarzan chameleon? The sparkle-muffin peacock spider? They will then use their artistic abilities to create hype posters for their favorite

combatant. Throughout the month, students will be following along in Science classes to see how successful their brackets are. Feel free to **create your own bracket** at home & compete with us.

On Wednesday, please have students wear their field trip uniforms, make sure their computers are fully charged, & bring any crayons/markers/colored pencils that they'd like to use to create posters.

Shadow Stations of the Cross

The Shadow Stations of the Cross will be presented by our 5-8 Campus Ministry Students, along with a Light Show Reflection by grade 5. This will take place in Monsignor Thomson Hall on March 20 at 7:00 P.M. This presentation is a beautiful Lenten tradition that provides an opportunity for us to reflect on the Passion and death of our Lord. All students and their families are invited to attend. Please note that participation in the presentation is mandatory for fifth-graders.
