Mission Statement

St. John Paul II School is a Cape Cod Catholic school that welcomes students and families from diverse faiths and backgrounds who desire a college preparatory, Catholic education. The school's academic, artistic, athletic, and co-curricular programs cultivate strong relationships and empower students to recognize their gifts, develop their potential, and communicate Christ in word and deed. Emulating their patron St. John Paul II, students pursue truth through faith and reason, preparing them to lead lives of continuous learning, respect, and community leadership.
