Structured Alternative Learning (SAL) Day Procedure

In cases of inclement weather when school would normally be canceled, but when power outages are not prevalent, the administration may declare a SAL day.

What will happen?
- Robo-call will declare the SAL day.
- Students will NOT report to school.
- All after-school activities will be canceled.
- Students log in to Google Classroom to complete SAL day work.

Academic expectations
- <u>Instruction</u>: teachers will provide digital instruction via articles, textbooks, videos, chat, or other means. It will be a minimum of 30 minutes and must be submitted by the end of the day. Assignments will be posted no later than 9:00 AM.
- <u>Performance</u>: students must complete performance tasks associated with teacher-provided instruction
- <u>Communication</u>: teachers will interact with students via discussion thread, chat, email, or other digital conversation tools. They will provide a specific range of time that you will be available for discussion and questions.
