

March 13, 2025

Dear Eighth Grade Families,

Traditionally, our eighth grade students create memory boards that are displayed during Class Night. This activity has proven to be a joyful experience, and parents and classmates truly appreciate viewing the creations.

The school is providing the foam boards for this project, and I am grateful to the Home and School Association for making it all happen. The boards will be distributed at the Washington D.C. parent informational meeting on April 10. For those who are not attending the trip, boards can be picked up in the front office on April 11.

Here are the guidelines for the boards:

1. The student's name must be on the board.
2. The boards are a celebration of the student, with special attention given to his or her JPPII journey. (Students are encouraged to add pictures representing their friendships with other JPPII students).
3. The boards must be designed to be displayed vertically.
4. Completed poster boards are due to homeroom teachers by Thursday, May 29.

Please do not hesitate to reach out if you have any questions or if I can help in any way. Have fun! Be creative!

Sincerely,

Ms. Paula Daly
Assistant Head of School, Preparatory Division
