In partnership with Barnstable Food Services/Whitsons Culinary Group, we are committed to providing students with a positive and enjoyable dining experience. We invite students, families, faculty and staff to participate in a brief survey and share their experiences and perspectives. Your feedback will help us better understand what is working well and identify opportunities to further enhance the program. Please take the survey linked here. When you reach the *Choose Your School District* section, please first select Barnstable Public Schools and then St. John Paul II School from the drop down list. The survey is available through November 6th. Responses will be collected by Whitsons and shared with our school administration. We encourage everyone who participates in our meal program to take part. Your feedback is important and greatly appreciated. Thank you.

Our school community will pray for the repose of their souls throughout the month. To complete a submission, please click HERE.
