

WEEKLY INFORMATION & EVENTS

May 24, 2020

Seeing An Opening

Good news; Gov. Bakers' re-opening announcement, which includes now-permissible religious worship services, allows in-person conclusions to our school year. Specifically, we are assembling plans for a final St. Margaret Primary School Mass, SFXP Grade Eight Graduation Mass, and JP II Class of 2020 Commencement. Details of these events will be shared soon, and (of course) we will observe strictly public health guidelines for worship services and high school graduations. It will be good to mark these passages together!

One may ask: Why Catholic schools in 2020-2021 when school will be more distant? Our answer -- Five "P's" that you can count on from us: Prayer, Partnership with Families, Personalization, Perseverance, and Planning. Read a powerful and concise value statement [here](#). Thank you for the value you place on high-quality Catholic education.

Earlier in the month, I wrote that current circumstances would not hamper progress in implementing the school's strategic plan. I am pleased to tell you that we have successfully hired the school's first full-time Special Education Director/Teacher, and I look forward to introducing her to you soon.

Recently, we sent our second "Open Letter to Friends and Supporters" to the broader community who are not in daily contact with the school. The open letter shares how we have fared in COVID-19 closure days. [Read here](#).

Finally, the ODDBall 2020 Virtual Auction runs from May 31 to June 12. The call at this time is "keeping the faith." Please log in and give generously.

Happy Memorial Day Weekend,
Chris

KEEPING THE FAITH

In just 7 days, we are kicking off the OddBall Online Auction with our ever-popular SMPS, SFXP and JP II baskets.

Our students and parents really out did themselves this year!

Bidding starts May 31st.

Odds are you'll want at least one of these baskets!
