Donnelly's Uniform Company Update

Donnelly's has kept the in-school delivery scheduled on the calendar in the hopes that they will be able to perform a normal delivery on 7/22 as planned. This date should not be used as a time to get fitted and start the ordering process. It should be used as a time to finish up the ordering process; i.e. try-on the items that have already been ordered and make adjustments as necessary.

Currently, there are restrictions on trying on items in-store and this may still be in place on 7/22. This would mean that you would not be able to try on the items at school.

At this time, home delivery is the best option. Once items are tried on at home, if anything needs to be exchanged you can contact Donnelly's to arrange a return or exchange.

Donnelly advises that you order as soon as possible. **They are offering a 20% discount on orders placed before June 15.**
