

This year, the school discontinued use of the ParentsPlus system in favor of FACTS SIS as the school information system (SIS) provider. We believe that FACTS SIS will provide you better information in an easier manner. Therefore, your ParentsPlus portal is no longer active, and **every family must create a new login in FACTS SIS Family Portal to access grades, attendance, and the like.**

Accessing Family Portal

FACTS Family Portal is a private and secure parents' portal that will allow parents to view academic information specific to their children while protecting their children's information from others. You may view your child's grades, attendance, as well as other useful school information.

Here's how to access **Family Online**:

- In Chrome, Firefox, Safari, or Internet Explorer go to www.factsmgt.com and click **Parent Login**, then select **FACTS Family Portal (ParentsWeb)**.
- Type the school's **District Code**: SJPFX-MA
- Click **Create New Family Portal Account**.
- Type your email address and click **Create Account**. The email address should be the same as that on file with the school. An email will be sent which includes a link to create your login. The link is active for 6 hours.
- From the email, click the link to create your Family Portal (ParentsWeb) login.
- A web browser displays your **Name** and FACTS SIS **Person ID**.
- Type a **User Name**, **Password**, and **Confirm** the password.
- Click **Save User Name and/or Password**.
A message displays at the top of the browser, "**User Name/Password successfully updated.**"

You may now log in to Family Portal using your new user name and password.
