

Tuition and Financial Information 2022-2023

St. John Paul II School	Tuition 2022-2023
High School Division (Grades 9-12)	\$13,020
Preparatory Division (Grades 5-8)	\$9,700

Many factors contribute to the determination of tuition; school expenses and new program costs, anticipated financial aid requests, and expected gifts to the school. The 2022-2023 tuition compares favorably with typical private and parochial school tuition and represents strong value and return on investment.

Additional Fees

- **All parents** pay an annual registration fee of \$175 per student. This fee is non-refundable and covers the scheduling and staffing costs incurred in the current school year. Please note that the registration fee will be applied to the tuition bill in June. *A separate payment to the school is not required.*
- Families of **Grade 12** students are assessed a graduation fee of \$300. This fee covers senior banquet expenses, yearbook costs, baccalaureate and graduation expenses, and other events.
- The **Grade 8** trip to Washington, D.C. is an additional cost that can be paid in full or through a FACTS Management payment plan.

Continuous Enrollment

Families sign one enrollment contract that will keep their children enrolled automatically, or until they say otherwise, with no need to complete re-enrollment contracts each year.

- If your child is returning for the 2022-2023 school year, your child will be re-enrolled automatically for the 2022-2023 school year, and your registration fee will be applied to your tuition account in June.
- If you know that your child will not be returning for the 2022-2023 school year, please complete a written notice of withdrawal and submit to the Admissions Office no later than May 15.

Once a continuous enrollment contract has been signed, students who withdraw (opt-out) after May 15 will be assessed a late withdrawal fee of \$500. Families who submit a notice of withdrawal before May 15 will not incur this fee.

INVESTMENT

The benefits of Catholic education are widely known. The overall value of a JPPII education – academic achievement, spiritual formation, opportunity, community – is an investment in the adult your child is becoming. The investment that you make now will appreciate as your child grows through college and into family, community, business, civic, and Church life.

FINANCIAL AID

To be considered for financial aid, FACTS Grant & Aid Assessment application must be submitted and verified for all families. Financial aid applications must be completed annually. The application can be found online at: online.factsmgt.com/aid. Need-based financial aid is determined based on information provided through FACTS Grant & Aid Assessment.
