

### Preparatory Division Class Raffle Baskets

We are very excited about the upcoming 2022 Gala and Online Auction! It is JPIL's biggest annual fundraising event, with an opportunity for everyone to become involved.

There is a long-standing tradition of Class Raffle Baskets for the Prep Division. These baskets raise significant funds. Your donation, no matter the size, helps us get there. These baskets are created through the generosity of our families. Each grade sponsors a themed "class basket" decided by popular student vote. Themes and parent volunteer coordinators are listed below.

**Parents, we need your help to make this the most successful class basket drive yet!**

There will be a deposit box in each homeroom to receive donations through April 1st. Typical donations are products, gift cards, and cash. We ask that you give generously and creatively to ensure the success of your student's Class Raffle Basket. If you are having trouble coming up with an idea, or want to be sure you are on the right track, please reach out to your basket coordinator.

The raffle of the Class Baskets is a popular part of the Gala/online auction and a big hit with our students. This year raffle tickets will be sold via the online auction and at the Gala on May 7.

**Everyone can take a chance to win!** Class Raffle Baskets are a wonderful opportunity for our entire community and beyond to participate in our fundraiser.

### High School Division Sports & Performing Arts Baskets

JPIL Sports Teams and Performing Arts Baskets are back by popular demand and will be featured as part of the 2022 Blue & Gold Gala and Online Auction.

Each sports team and the performing arts will have a coordinating parent to rally its members. To donate, go to the event website, click on the JPIL Baskets tab, and make a monetary donation. No donation is too small, and we hope each family participates.

Before the silent auction, your coordinating parent will buy one big amazing item to be featured at the Gala and Online Auction.
