

## **Financial Aid Webinar with Jodi Conway**

This information-packed webinar will cover the financial aid application process, including a discussion of the FAFSA and CSS Profile applications and tips to successfully guide you through the entire process. I'll show you how to create a timeline to meet your college's financial aid deadlines and we'll also discuss student loan debt, the different types of aid you might see on your award letters, merit aid, and how/when to appeal a financial aid award. Year after year, this presentation receives rave reviews from both parents and guidance officers/school counselors. Jodi Conway has worked in the financial aid profession for over 39 years, both in college financial aid offices and with her business, Conway College Aid. It is her mission to share this information with families to successfully prepare them to apply for need-based financial aid. Registrants will receive a copy of the slide deck prior to the webinar.
